

Sophia Dengo

Senior UI/UX designer & front-end developer
sdengo@gmail.com | sophiadengo.com | 832.566.3655

experience

Ad Hoc, LLC

Baltimore, MD | 1. 2017 – present

Senior designer for Vets.gov. Advocate for and implement global UI changes to Vets.gov. Develop and maintain the Vets.gov design system, Formation.

Front-end developer & designer

Baltimore, MD | 2007 – present

I offer graphic design, site planning, site design and implementation, and other front-end services on a contract basis. Past clients include small businesses, individuals, and agencies.

Center for Government Excellence

Baltimore, MD | 2. 2016 – 1. 2017

Analyst. As part of Bloomberg Philanthropies' What Works Cities initiative, I spent 11 months doing on-site city government assessments, determining how governments collect and use civic data. I also handled GovEx's internal tech projects and provided feedback on external consultants' design work.

Code for America

San Francisco, CA | 2015

Fellow. I worked with Miami-Dade County, applying best practices in user experience and technology to facilitate the way the county government and the citizens of the county interact with one another.

CNN.com

Atlanta, GA | 8.2008 – 5.2013

Senior news designer ('11 - '13). Designer ('08 - '11). Responsible for work including infographics, maps, charts, and long-form multimedia stories.

skills

Javascript, jQuery, HTML, CSS/SCSS. Beginner React. Coding for accessibility.

Sketch, Photoshop, Illustrator.

Prototyping in Moqups and inVision.

Content management systems, particularly Wordpress.

Experience with responsive, mobile-first design, and best practices for accessible design.

interests

I'm an amateur bench jeweler, sewist, and knitter. I'm also a certifiable space nerd, and I speak fluent Spanish.

education

M.A. Museum Studies Johns Hopkins University (2014)

M.A. Mass Communication University of North Carolina, Chapel Hill (2007)

B.S. Communication Boston University (2005)
